## Ocean Freight Revenues and Foreign Expenses of U.S. Carriers

Note — A separate page must be completed for each vessel type and flag combination operated by the operating company(ies) and/or line(s). Additional pages can be downloaded at www.bea.gov/ssb (eFile users –select "Add page 5 Overflow" from the survey selection page).

**Name of U.S. Reporter:**

**Operating company(ies) and/or line(s):**

**1 What type of service is provided by the operating company(ies) or line(s)?** *(Check one)*

20001

- [1] **1** ☐ Liner (dry cargo, passenger, or combination) — *Vessels operating on a definite, advertised schedule, giving relatively frequent sailings at regular intervals between U.S. ports and foreign ports.*
- [1] **2** ☐ Irregular (dry cargo) — *Vessels engaged in carriage of dry cargo operating on an irregular or unscheduled basis, including industrial service voyages.*
- [1] **3** ☐ Tanker (dry cargo) — *Tankers engaged in carriage of dry cargo.*
- [1] **4** ☐ Tanker (liquid cargo) — *Tankers engaged in carriage of liquid cargo.*

**2 Under what flag does this vessel operate?**

20002

- [1] **1** ☐ United States — *Includes the 50 states, the District of Columbia, the Commonwealth of Puerto Rico, and all territories and possessions of the United States.*
- [1] **2** ☐ Foreign

**IMPORTANT** – Report amounts in thousands of U.S. dollars (omitting 000). Round amounts of less than $500 to 0.
Do not enter amounts in the shaded portion of each item.

**EXAMPLE –** $324,999.00 should be reported as 325. 750,000 long tons should be reported as 750.

| Name of Foreign Country | Revenue on cargo outbound from U.S. ports ($000) (a) | Outbound cargo shipping weight in thousands of long tons (1 long ton = 2,240 pounds) (b) | Revenue on cross-trade cargoes ($000) (c) | Charter hire and space leasing payments to foreign residents ($000) (d) | Charter hire and space leasing revenues from foreign residents ($000) (e) | Fuel expenses in foreign countries ($000) (f) | Expenses in foreign countries (other than fuel expenses) ($000) (g) | Revenue on cargo inbound into the United States ($000) (h) | Inbound cargo shipping weight in thousands of long tons (i) |
