

National Data

Sections A, B, C, and part of E are not included in this issue because of the publication of the annual revision of the national income and product accounts.

In this issue, see “Annual Revision of the National Income and Product Accounts: Annual Estimates for 1997–99 and Quarterly Estimates for 1997:I–2000:I,” “National Income and Product Accounts Tables” (an extensive set of NIPA tables for 1997–2000:II), and “GDP and Other Major NIPA Series, 1929–2000:I.”
